

Accepting China UnionPay Cards

Did you know the CUP brand is...

#1 In Card Issuance

#2 In Global Transaction Volume

#3 In Acceptance Scope

Accepting payments in as many forms, currencies, and brands is important as we shift further into an age of digital currency. By partnering with Allied Wallet for payment processing, you enable your business to accept China UnionPay.

You might ask yourself why this is important or how significant this can be for your business.

China UnionPay has grown into a leading form of payment since it was founded in 2012 and is now a global network and international brand serving 157+ countries.

Why Should You Accept CUP Cards?

China UnionPay reached over 5.5 billion people in 2015 and is the fastest growing international bank card association worldwide.

By partnering with Allied Wallet's payment solutions today, you can begin accepting China UnionPay worldwide from over 5 billion CUP cardholders.
